Breve presentazione personale (per es. motivazioni per la candidatura, pregresse esperienze di rilievo...) Short personal presentation (e.i. motivation for candidacy, previous relevant experiences...)	I am Pietro Andrea Arpaia, current representative of the third-year MEDTEC class, Hunimed Ambassador, and a dedicated MEDTEC student. I am thrilled to present my candidacy as the MEDTEC representative on the Commissione Paritetica Docenti-Studenti (Joint Committee). I am confident that I can contribute meaningfully to the improvement of our degree programs and the expansion of our university's academic opportunities by fostering close collaboration with both faculty and staff, a direction I committed to two years ago when I was first elected Class Representative. From the beginning of this journey, my guiding principle has been "cooperation." Although much has changed over these years, my dedication has only grown stronger: we must work together to elevate the education and opportunities for future healthcare professionals. To achieve this, we must be HUnited!
