Breve presentazione personale (per es. motivazioni per la candidatura, pregresse esperienze di rilievo...) Short personal presentation (e.i. motivation for candidacy, previous relevant experiences...)	I'm Alessandro La Pietra, current Secretary of the Student Council and fourth-year MEDTEC School student, and I'm presenting my candidacy for President of the Student Council. During my last two-year mandate, I've learned what it takes to keep things running smoothly and make sure student voices are heard. My main goal is to make the Council more accessible and better-structured —regular open meetings, more chances for you to bring ideas forward and let your opinions be heard, as well as focusing on events that reflect what students actually want. Another key point for me is improving and institutionalising the stance of the Student Council in relation to university Teams/Societies, to the benefit of the plethora of students involved. With my experience, I'm ready to take on this role and hopefully make a real impact. Thanks for your support!
