Short personal presentation (e.i. motivation for candidacy, previous relevant experiences...)	My name is Santiago Nieto Cuervo, and I am the current representative for the 3rd-year medical students, a role I've held for the past two years. I am applying for the Commissione Paritetica Docenti-Studenti (Joint Committee) because I believe this position will help further advance the goal of improving our degree program and representing students at a more official level, along with their needs. I have been committed to effective collaboration between students and faculty since the beginning, and I hope that I can do some good through this position..
